60 Capsules

Daily support for healthy stress management*

With 2025 in the rearview and a brand-new year on the horizon, our stress has a tendency to compound and overwhelm. During times of transition, trust in our favorite stress-busting tool: Stress Essentials Calm. This potent daily supplement is formulated with L-theanine (patented Suntheanine®) and gamma-aminobutyric acid (GABA).* These two ingredients act as natural calming agents by increasing levels of GABA in the brain, which in turn decreases excitability and encourages relaxation.* With Stress Essentials Calm, give yourself the gift of proper rest, relaxation, and tranquility.*
